2. This postponement is urgently desired because of the need should not be removed from duty at this time. He is scheduled to take charge of a special project for which four new persons will report Monday, July 30, for duty that is expected to last at least one month.

25X1A

is scheduled also to assume some duties assigned to him during the vacation leave (from July 30 through August 25) of the Chief of the Processing Section.

25X1A

from duty August 7, and days following, 4. To remove would necessitate a shift in assignments in the Map Library Branch that would transfer one of the map catalogers away from his work on maps for high-priority areas. Due to vacation leave already in effect or already granted, no other alternative is apparent.
